Weighing In

Julia Juggs is becoming known as the queen of anal in XL Girls!

February's Finest

Dear XL Girls,

I am writing to congratulate you on yet another fine issue of *XL Girls* magazine—Feb. '12 (SP222). I bought it from a newsstand because I wanted to also get whatever DVD was included with the issue. I've found that the DVDs The SCORE Group includes with its magazines are worth the added expense above the magazine's normal cover price and above magazine subscription prices because the DVDs are very good, not low-quality teasers like other magazines include.

Every model featured was excellent in some way, but I want to keep this letter short by providing detailed comments only on the ones I felt were the very best.

Angellyne Hart: It was nice to see

her in XXX action after her recent R-rated debut in *Bootylicious*. The money shot on her pud was...interesting. At first it was strange not seeing the usual "breastial" money shot.

Charlie Cooper: Simply great!

Montego Babes DVD preview: Looks like a winner. I'd love to see one good porn stud tangle with the three of them simultaneously!

Vanessa Del Mar: Still incredible despite many appearances.

Anorei Collins: Women like her are why I buy two or three copies of every issue of *XL Girls*. Even in her R-rated debut layout, she's red hot.

Julia Juggs with Peter Delmar: Very good anal action! Bravo! The money shot on the butt, however, was a bit of a letdown. (That's one of the things I like least about *Bootylicious*.) I'd rather have seen a facial, a "breastial," a pud or a tummy money shot.

Karla Lane: She's always welcome. Isn't it time for another hardcore layout with her?

Katherine James: It's great to see updated layouts of your models from years gone by. I'd love to see updates on many *Voluptuous* models—especially those who have gained enough weight to be true *XL Girls*!

Porsche Dali: Becoming one of my favorites. Her figure is phenomenal, and she's a fine XXX performer.

Alice Webb: Another woman with a fantastic figure. Will she return for hardcore soon?

Analee Sands with John Strange: Great hardcore performance. I suppose it's a good thing that you now add the male models' names since we them over and over again.

Wow! 13 models in one magazine. That's a lot of bang for my buck! Thanks for another great magazine. As usual, I'll be awaiting the next issue.—A.L., Los Angeles, California

BBW Bushes

Dear XL Girls,

While your magazine has been around for a while, I just discovered it. I just read the Nov. '11 issue (SP218) and the Feb. '12 issue (SP222). They were both wonderful and superb. Every woman was very lovable.

If Analee Sands were a teller at a bank, I would go there every day! I would also date and worship her. That is how lovable she is. I also think that a woman's bush is part of her allure. Brianna Falcone, Analee Sands, Katherine James, Karla Lane and Anna Kay should be thanked and encouraged. Please encourage other women not to shave.—P.W., Silver Spring, Maryland

Crazy for Renee

Dear XL Girls,

I was wondering if we could see more of Renee Ross. She's the BBW

Analee Sands has a desirable bush that's light, wispy and fluffy.

Renee Ross' pendulous tits will hypnotize you if you stare long enough.

queen. I mean I can't believe how hot she is. When I am at work I look her up on the Net all the time, and while I am looking her up, I'm getting so fucking horny every day over her. I go in the bathroom and jerk my dick off over her. She drives me crazy. I love all her photos my favorite fantasy of her is where she's dressed up in that tiny red dress, holding a drink. I go over to her and we get to talking, and she says, "Do you want to go and have a fuck?" So we go off to this place and just suck and fuck the shit out of each other all night. The sheets on the bed are just soaking with sweat from all the lovemaking. And we're fucking in the shower as well. I mean that's how it would be if I ever hooked up with her. Just sucking and fucking each other all night. She has that power over men. Kim Kardashian, Paris Hilton and all those other skinny girls who think they are all that have got nothing on Renee Ross, let me tell you now. I mean what's the big deal with these women? I bet Renee's sex life is just like my fantasy. I bet she goes all night for hours with whatever guy she's with. What a goddess. I bet she's having sex all the time.

Mandy Mason is one of my personal favorites. I am asking again why hasn't she done any more stuff. I know she's done a photo shoot. What about another scene at least where she is masturbating? Why doesn't she

dress up in office wear and do it in the office? What about a boy/girl scene? God, I would love to see her sucking and fucking. I'd bend her over the bed and lick her out, as long as she sucks my cock. I'd titty-fuck her. We'd fuck each other till the break of dawn. You fellas do a wonderful job. Charlie Cooper has also done well for all of us guys, but Renee is still the greatest.—W.S., via email

Dear W.S.,

Mandy Mason has retired from modeling for now.

Dear XL Girls,

Just a note to say that I love your magazine, and all those gorgeous big-titted and big-assed women getting naked are fantastic. Most of all, in your last edition I loved the pics of Renee Ross and those big, veiny tits. I'd be most grateful if you could pass on my thanks and admiration to Renee for showing her huge tits in your magazine.—D.H., via email

Contacting Models

Dear XL Girls,

I want to thank you for the very beautiful women in XL. I love very big-busted women.

I do need your help. I have written to XL women yet no one answered. I am sure I made the letters interesting. Can I write to them again? Please write back, and keep the XL women curvy.—S.D., Charlottesville, Virginia

Dear S.D.,

We cannot directly forward mail to models, however they do read the letters section so please continue to write to Weighing In.

On Fire for Sapphire

Dear XL Girls,

I'm currently locked down in New York, and your magazine XL Girls is the shit. I'm just a little upset that I have to go through all kinds of loops just to get the magazine because you guys don't do business with correction facilities.

I just got the Nov. '11 issue (SP218) and as always it's great. I'm hurt that I missed the May '11 issue (SP209) because my all-time fave Sapphire is in it. She's my number one draft pick

above all others. Of course number two is Rose Valentina, number three is Jade Parker, number four is Monique L'Amour and number five is Dawn Davenport. That's my starting five.

I think you should do issues where fans/customers pick a model and you guys dedicate an entire issue to that model. I sure could do with one of Sapphire. You can use the photos from previous layouts, stills from videos and have an exclusive interview. Maybe get the girls to autograph the issue. What do you think? Maybe win a date. The opportunities are endless.

By the way, has Sapphire ever been a covergirl? If not, what are you waiting for?—E.T., Syracuse, New York

Dear E.T.,

Sapphire was last on the cover of Voluptuous April '07. You can order a copy through eboobstore.com.

Ultimate Plumpers

Dear XL Girls,

I have two suggestions for new ideas for DVDs. First one is Ultimate Sapphire with the girl-girl scene from Knockin' Nipples, her girl-girl-boy scene from My Big Plump Wedding, the girl-boy scene from Feed Her, Fuck Her and if she's in any solo scenes then add those, too. And the second suggestion is Ultimate Monique

Reader A.D. wants to see this scene of Monique L'Amour in a "Best Of" DVD.

Amazing Anorei

Dear XL Girls,

Finally you have a real *XL Girl* in your magazine! Anorei is the type of woman I want to see more of on your pages. Lately it feels like the magazine has become *Voluptuous* part two. I love *Voluptuous* and all, but I feel like there should be bigger women in *XL*. Women like Anorei, who really live up to the name of the magazine.

My jaw dropped when I saw her on the cover. I could not believe how beautiful and curvy she is, or that she has P-cup breasts! I love that she is such a geek and likes to play video games and dress-up. I like those things, too! I hope one day I bump into Anorei at a comic convention. It would make my life. She is a 10, and sets the bar for hotness as far as your mag is concerned.—W.W., via email

Bellies Getting Bigger

Dear XL Girls,

I've noticed that some of my favorite models are getting larger,

especially their bellies!

Girls with newly expanded bellies include Scarlet Rouge and Kerry Marie. The expanded pudge adds an extra sexy element to photo shoots and videos.

There are also some new models out there blazing a trail like the unbelievable Anorei Collins. Let's see these girls featured in the magazine and on the website squeezing their tummies and having their studs in boy-girl action and their girlfriends in girl-girl shots playing with those curves! Keep up the good work!—S.C., via email

Dear S.C.,

Anorei Collins was featured in the Feb. '12 (SP222) issue. She is also in the DVD Full Figured Foxes 2, where she milks her lactating boobs. You can order a copy on page 9.

Do You Have a Hot XL GF?

MARILYN WHITE

**XL
DEBUT**

Marilyn has an interesting dichotomy to her personality.

On one hand, she wants a wholesome home life with a man who is family-oriented, intelligent and the head of the household. She likes to read and go bowling.

Marilyn sounds like a typical girl until you find out about her sex life. "I am definitely into quite a bit of S&M," she said. "I would love to be double-penetrated by a man and woman with a strap-on."

By day Marilyn will be a little Susie homemaker, but when night comes she'll be your wildest sex fantasy. She's the perfect woman!

Here are some other interesting tidbits about Marilyn: She is bisexual and has had a few sexual encounters with women. The one thing that always gets her off hard is when a guy is on top of her sucking on her nipples while he thrusts his cock into her. And one of her biggest sexual fantasies is to have sex on the hood of a roaring 1966 Shelby Cobra Mustang (her favorite car.)

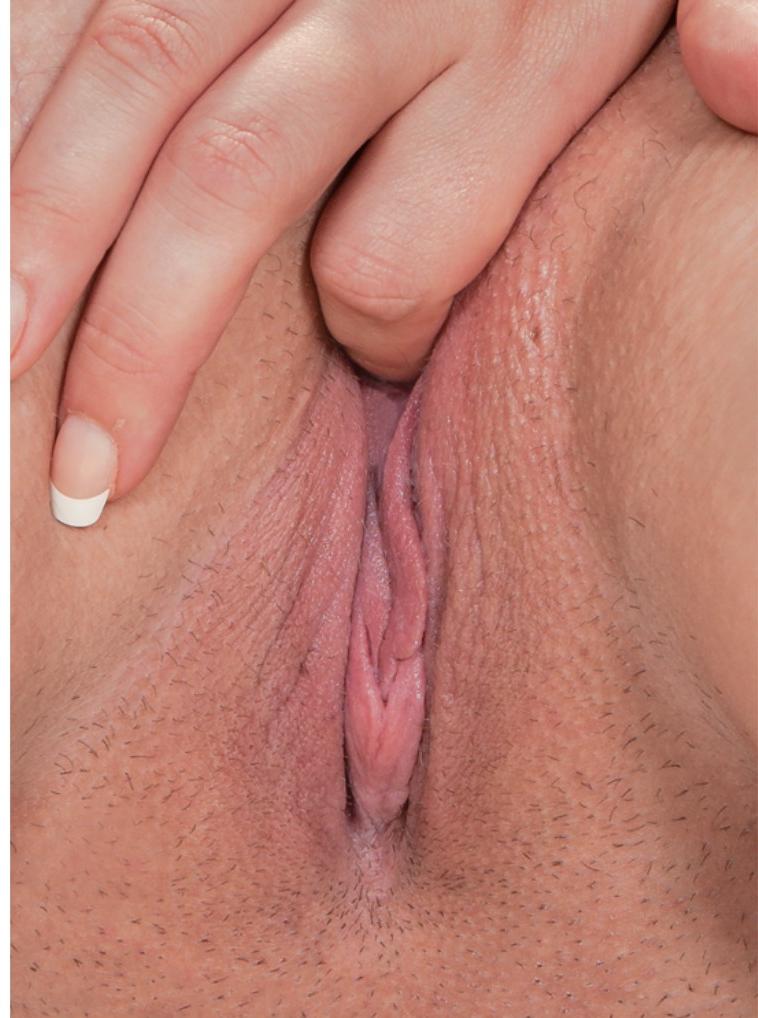

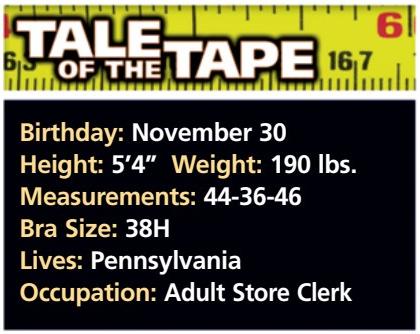

Marilyn was experimenting with kinky foreplay before she ever had sex.

"The kinkiest encounter I always tell people to really get their heads spinning happened when I was in school. My boyfriend at the time and I were in a class together and while the teacher was standing right in front of us giving a lecture, I jacked him off under the table. After he got off in my hand, I quickly had to excuse myself and go to the bathroom to clean off without anyone noticing. I know I've had lots of other kinky encounters, but that has always been the one that's really stood out in my memory."

XL INTERVIEW

DANICADANALI

THIS CURVY GIRL-NEXT-DOOR CUTS LOOSE!

XL Girls: Hi Danica. Welcome to our studio. Are you excited to do this interview for *XL Girls*?

Danica: I'm a little bit nervous actually. I've never done an interview like this before.

XL Girls: Don't worry. We'll make it nice and painless for you. So, how long have you been modeling?

Danica: I have been modeling as an amateur since June of 2010, and you guys were my first real gig in December of 2010.

XL Girls: What made you decide to do nude modeling?

Danica: It just seemed like a natural progression. I started modeling in lingerie and it slowly progressed from there. And I enjoy it.

XL Girls: Before you got into nude modeling, what did you think it would be like? Did you have any pre-conceived notions about it?

Danica: I did. I'm not really sure what I thought about it but I didn't want to do it in the beginning. It seemed scary. I guess I overexaggerated my fears and anxieties about it because it's really not that bad.

XL Girls: What do you like about modeling so far?

Danica: I like everything about it. I like the experience. I like the people. I really like the results.

XL Girls: You mean the feedback from your fans?

Danica: Yes.

XL Girls: Do they email you?

Danica: They email me and I get post-cards in the mail and stuff like that. I get a lot of Facebook messages too.

XL Girls: Okay, and obviously you're here because you have big boobs. So what is your bra size?

Danica: 38J.

XL Girls: And you're doing a tug job today! Is that a first time for you?

Danica: Yes, it is.

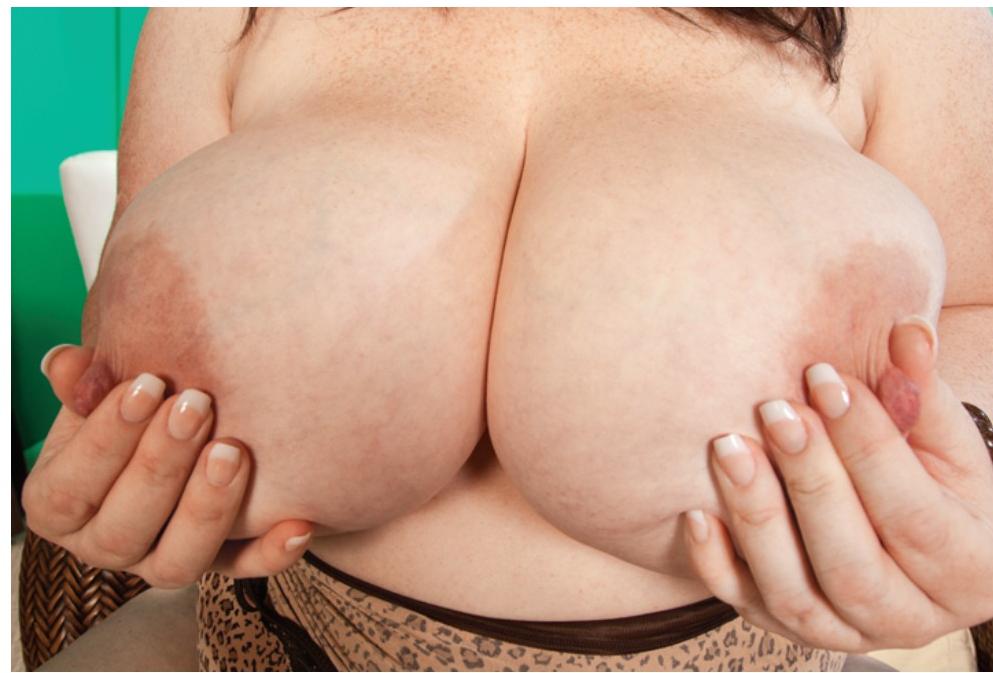

XL Girls: Are you nervous? Excited?

Danica: It's a mixture of both. I'm nervous because I've never done it before, but I'm also excited to try something new.

XL Girls: Is that something that guys ask you to do a lot? Not necessarily just with your hands, but also to give them a tit-job?

Danica: Yes. I've definitely been asked that a lot. Fans will email me asking me to do that stuff, too.

XL Girls: Have you ever given a guy a

"MY NIPPLES ARE VERY SENSITIVE. SO LIGHT PINCHING IS OKAY."

tit-job until he came? Or was it more just like a foreplay thing?

Danica: It was more for foreplay.

XL Girls: So how do you feel about giving tit-jobs?

Danica: I can go either way. Just as long as they're having a good time.

XL Girls: Okay, and when you go out do you get a lot of attention because of your boobs?

Danica: Yeah, I think I do. I try not to pay attention to it.

XL Girls: Has it always been that way?

Danica: Yes, it has. Ever since seventh grade I think.

XL Girls: What kind of things would people say to you in school when you started to get boobs?

Danica: The main thing I remember was "tig 'ol bitties." [Laughs] They used to say that to me all the time.

XL Girls: Did it bother you at all or make you feel self conscious about having big boobs?

Danica: No. It made me laugh.

XL Girls: And do you like having such large boobs?

Danica: I do, but I've never had small boobs so I don't really have much basis for comparison.

XL Girls: Do you like to have your boobs played with?

Danica: Yes, I do.

XL Girls: What kinds of things do you like to have done to them?

Danica: Anything, really. Just as long as it's nothing too hard or fetish-crazy.

XL Girls: Are your boobs or nipples really sensitive or not so much?

Danica: My nipples are very sensitive. So light pinching is okay, but I don't like anything harder than that.

XL Girls: Do you think your breasts were a big part of the attraction with men you've dated in the past?

Danica: Oh, yes.

XL Girls: So they were boob-men.

Danica: Yes, definitely. And they had no problem admitting it either.

XL Girls: Growing up, what kind of girl would you say you were?

Danica: Well, I'm a very girly-girl. My sister was a tomboy and she was always playing with He-man, and I was playing with dolls and Barbies. I always got into a lot of trouble.

XL Girls: Oh, so you were a bad girl!

Danica: Yeah, I kind of was.

XL Girls: Did this trouble have to do with boys?

Danica: Oh yeah. All the time. The first time I got in trouble was in seventh grade when I snuck out of the house and went on a ride on this guy's

moped. It was like one in the morning.

XL Girls: And you got caught?

Danica: Yeah.

XL Girls: Did you try to hide pillows under your blanket to make it look like there was a body there?

Danica: No, I didn't do any of that. When I got home everything was fine. But the next morning my mom told me that the teenagers across the street had noticed me leaving.

XL Girls: And they snitched on you? That's terrible.

Danica: I know. But they were like 19 or 20 so I guess they thought I was just a kid. I could have gotten away with it if it weren't for them, too.

XL Girls: So how would you describe yourself now?

Danica: I'm definitely still a girly-girl. I love dresses and make-up and all that stuff. But mostly I'm a jeans and t-shirt type of girl. I love to dress up, but mostly on special occasions.

XL Girls: Do you ever dress to show off your cleavage?

Danica: Sometimes it doesn't matter what I wear, my cleavage will just show even if it's not low-cut.

XL Girls: Do you get cat-calls?

Danica: Not usually. But at the airport I do.

XL Girls: Do you like the attention that your boobs get you?

Danica: I do, I have to admit that I do.

XL Girls: That's perfectly fine. The guys who are going to see you in this magazine would be happy to give you lots of attention. Now, since you're doing this kind of modeling, would you say that you're an exhibitionist?

Danica: Yes, definitely. And I have been since I can remember.

XL Girls: Can you give us some examples?

Danica: I remember in like third or fourth grade being on the playground, I would be standing up on top of the monkey bars letting all the little boys look up my dress. I specifically remember doing that. I would always show them my panties.

XL Girls: It started early!

Danica: It sure did. Now it makes sense that I'm doing nude modeling. I'm sure none of those boys who saw my panties would be surprised.

XL Girls: Probably not. So what do you like to do in your free time? Do you have any hobbies?

Danica: This. [Laughs] Get naked. I don't really have a lot of free time right now. My free time is at night when I go to sleep.

XL Girls: I read in your model questionnaire that your kinkiest encounter was in a car. Could you give me any details?

Danica: It was me and the guy I was dating. I had moved about 50 miles away and he came to visit. He was spending the weekend with us, but I still lived with my parents and my mom would not let us sleep in the same room together. So we ended up driving to a park one night and we just did it in his car.

XL Girls: Did you almost get caught?

Danica: Not really, but we weren't the only people there.

XL Girls: Was this like lovers' lane?

Danica: Not quite like that. There were people who were still walking around. It wasn't totally dark yet, it was sunset. We didn't get caught but I had that adrenaline because of the fear of getting caught. It was exciting.

XL Girls: Another thing I read was that you masturbate in your backyard. What's up with that?

Danica: [Laughs] Yes, I do that. The first time I was actually doing that for a friend of mine. He wanted to see me masturbate in the backyard, so I did it. And it was actually a lot of fun. It was pretty exhilarating being naked in the yard like that.

XL Girls: What were the chances of a neighbor seeing you?

"I'M ATTRACTED TO GEEKY GUYS. THEY ALWAYS HAVE THE BEST SENSE OF HUMOR."

Danica: Not great, but the neighbors who live down the street all live in two-story houses, and the road kind of curves so they'd be able to see in my backyard.

XL Girls: How do you think they'd react if they saw you naked?

Danica: I have no idea. I don't even know if they'd say anything.

XL Girls: Well they wouldn't want to ruin a good thing.

Danica: [Laughs] True.

XL Girls: Now what's this we hear about you masturbating in the pool when you were younger?

Danica: Oh, yes. I always used to do that. I'd lean up against the wall where the jets would shoot out water.

XL Girls: I think a lot of people do that when they're young, actually.

Danica: I didn't even know what I was doing, it just felt good.

XL Girls: So when you're with a guy, what satisfies you the most?

Danica: That's a hard question. It's different every time almost. Sometimes I want the hugging and kissing and all that stuff. And other times I just want to be thrown down on the bed and done.

XL Girls: Hard and dirty?

Danica: Yes, like that.

XL Girls: If you wanted to get a guy's attention, how would you do it? With the boobs?

Danica: I'd probably wear something tight and sexy and just go say hi.

XL Girls: Are you shy?

Danica: To a degree, but not very.

XL Girls: If a guy wants to get your attention, what should he do?

Danica: Just say hi. I'm really easy to talk to in most cases, unless I'm in a hurry or mad. But usually I'll talk to anyone. There's no need to be scared.

XL Girls: What kind of guys are you normally attracted to?

Danica: I am attracted to geeky guys. They always have the best sense of humor and they're funny. I also like tall guys with light eyes.

XL Girls: Before you got into modeling did you dress up in lingerie a lot?

Danica: Yes, I always liked it.

XL Girls: Well, you said you started off modeling in lingerie. Was that for erotic sites or anything?

Danica: No, that was actually just for the attention. I would post stuff up in Myspace and Facebook, and of course it would get deleted right away. But I

did it mostly because I liked the attention from the people.

XL Girls: So I guess you have your own stash of lingerie?

Danica: I used to. I had to get rid of a lot of it because I've outgrown it. My boobs don't fit in them anymore.

XL Girls: So your boobs have grown considerably the last few years?

Danica: Yes, they have. I had a baby two years ago so it seems like every time I get pregnant they get a cup size bigger and they stay there.

XL Girls: That's a good thing as far as we're concerned!

Danica: I'm not complaining either.

XL Girls: So do you like to talk dirty when you're having sex?

Danica: I don't really do that. I've just never done it.

XL Girls: Okay, the reason I ask is because I noticed you don't really curse at all. So I wondered if you used that kind of language in the bedroom.

Danica: I don't curse unless I'm mad.

XL Girls: As much as I'd like to hear you curse, I don't want to make you mad. All the guys out there will just have to leave it to the imagination.

Danica: Yup. Sorry, fellas!

XL Girls: So how did you find out about *XL Girls*?

Danica: One of your recruiters found me on the Internet and contacted me.

"ONE OF MY BOOBS WEIGHS SIX POUNDS AND THE OTHER IS SIX AND A HALF POUNDS."

I'd honestly never heard of *XL Girls* before that, but I had heard of SCORE and Scoreland.com.

XL Girls: Okay. And how tall are you?

Danica: I'm 5'8"-ish.

XL Girls: And do you have any special way of taking care of your boobs, like any nightly rituals of massaging them or putting lotion on them?

Danica: Not really. After a shower I'll put lotion on because I have dry skin, but I put it on everywhere.

XL Girls: Do you know how much your boobs weigh?

Danica: Yes, actually. At one point not too long ago, like a couple of months ago, I weighed them. One of my boobs weighs six pounds and the other in is six and a half pounds.

XL Girls: What did you weigh your boobs on?

Danica: It was standing on a scale and my husband would hold one, and then hold the other one. It wasn't the

most scientific method but I think it still gave us a pretty good estimate. .

XL Girls: I want to make sure I'm picturing this correctly. So you were standing on the scale, and...

Danica: I was standing on the scale and he would hold them up and take the weight off.

XL Girls: And the weight went down when he did that?

Danica: Yeah, it actually took the weight off. I've never actually measured them by specifically putting them on a scale. So like I said, I don't know how accurate it was but those were the numbers we got.

XL Girls: Interesting. So, do you ever go braless with a t-shirt?

Danica: Not a t-shirt, but with a tight tanktop I will.

XL Girls: Do you ever go out in public like that?

Danica: No. That would be too crazy. I like attention and all but that might be a little too much.

XL Girls: How long does a bra last before you throw it out?

Danica: I would say typically two or three years, unless I outgrow it before then, which tends to happen.

XL Girls: Do you have a favorite brand of bra that you buy?

Danica: No. When you're this big you kind of just go with what fits. When I find a bra that fits I buy it in every color. That's basically how it works.

XL Girls: I think I know the answer to this, but do you have to get them customized or can you ever buy bras off the rack?

Danica: I can't buy them off the rack. I haven't been able to for years. They don't sell my size anywhere that I know of. I buy them online. And if they don't fit then I just send them back. But I typically know which brands fit me right.

XL Girls: Do you like to go to the beach and wear swimsuits?

Danica: Yeah. I used to not like it, but now I do.

XL Girls: What kind of swimsuits do you usually wear?

Danica: I usually wear tankinis. They look like a one-piece but it's two pieces and the top is like a tank top.

XL Girls: Do you ever find yourself unconsciously playing with your boobs, like when you're watching TV?

Danica: I don't know. I'm trying to think back, but nothing is coming to

But not much has changed, and we mean that in the best way. She still lives in Texas, she still loves sex and her tits are still massive! "I can't believe that once upon a time I wanted to get a reduction. That's what got me into this business—so I could save money for the reduction. But fortunately showing off my boobs and getting positive feedback helped me realize that my big tits are really a gift. I appreciate them so much now."

How else has modeling affected you?

"Well, it's been great for my sex life! My husband and I are swingers, but in this line of work I get to have sex with all kinds of people that I would never have gotten the chance to meet before. It has also made me a lot better at picking up signals from other people, like when they want to fuck. If I'm getting that feeling from someone, I'll just go for it."

When was the last time you fucked a total stranger, Shugar?

"It was so hot. It was while I was getting a massage. It wasn't supposed to be anything sexual; it was just a regular massage. Well, let me tell you, that boy had magic fingers! I swear I came and he wasn't even touching my pussy or my boobs or anything. He noticed that something just happened, so I told him he made me cum, and I got the feeling that he wanted to fuck. So I just reached for his cock. He didn't stop me, and he was hard, so I sucked it. Then he fucked me right there on the table."

DANICA DANALI

mind. I think I only do that when I'm trying to get my husband's attention, or when I'm playing with myself, but that's intentional.

XL Girls: Has having big boobs sped up your life at all? For example, getting food and being serviced.

Danica: I always say no, but my husband always says yes, I definitely get treated different and get better service because of my boobs. When I go to a specific car place to get our cars fixed, they always give me stuff for free. He'll always make me bring his car in because they give me better service than they give him. Typically if he wants something for free or cheaper, he sends me. I don't know if I have great negotiating skills or if it's the way I look.

XL Girls: I think your husband is probably right. So, what's it like going through airports with big boobs?

Danica: Ugh, god. It's crazy. It's like it doesn't matter what I wear because you can see my boobs. There's no hiding these things. Walking through the airport I try to just look straight ahead and not make eye contact with anyone. But I get stared at, and I was actually whistled at in the Houston airport yesterday.

XL Girls: Is there any kind of security issue with your boobs?

Danica: Yes, they always make me go through the body scanner. Always. A lot of times a woman guard will tell me that she's sorry but she has to pat me down. So she'll pat me down under my bra. I guess they pick up the underwire in the metal detector.

XL Girls: Or they think you're hiding something lethal in your bra.

Danica: [Laughs] Yeah, or that.

XL Girls: So you always get a pat down at the airport?

Danica: Yes, every single time. And they always go through my bags, too.

XL Girls: Have you ever gotten out of a speeding ticket by showing a cop your boobs?

Danica: Not my boobs, but maybe my cleavage. I get pulled over a lot, but I don't usually get tickets. I think I've only had two tickets in my whole life. But I don't know if that's because of my cleavage.

"IT DOESNT MATTER WHAT I WEAR BECAUSE YOU CAN SEE MY BOOBS."

"When I was in school, there was this one girl who had a crush on me. She would always flirt with me. Well, one day she came into the locker room shower while I was in there. We were alone. XL
DEBUT

Natalie keeps getting bustier and better with every passing year.

Many *XL* readers are also fans of *Voluptuous* and *SCORE*, and have seen Natalie before. She has been a popular model for both those magazines for quite some time, and with good reason. This French beauty has an amazing pair of huge naturals. If you've never seen Natalie before, then you're in for quite a treat. She is, in our opinion, at her peak: curvier than ever, bustier than ever and best of all, hornier than ever!

Natalie's newest fantasy? Hot, younger men!

Natalie once told us that when she was 18 she lost her virginity to a man that was 15 years her senior. "I love older men," she said at the time. The same is still true, but she's taken a new interest in young bucks. "I've recently been with some younger men and it was great. They have great energy and last for a long time."

If you want to be with Natalie, forget even suggesting a quickie.

"These days everyone is in a rush. I prefer to take my time with things. Especially with sex. I hear some of my girlfriends saying they have to have a quickie with their boyfriends because they're so busy, but something like that wouldn't satisfy me. I want to have sex for a long time, with lots of foreplay before. I like to be able to relax and enjoy myself and not have to worry about the time. And I don't like to have just one orgasm. I like to have several. If a man wants to be with me, he has to be prepared to put in the time!"

XL Girls: Do the cops ever try to flirt with you or anything?

Danica: Maybe a little bit. I got out of one ticket and the cop was like, "You are too damn cute."

XL Girls: They usually just give you a warning when they pull you over?

Danica: Yes, that's usually it.

XL Girls: And what works for you when you have sex? What are some of your favorite positions?

Danica: I pretty much like them all except for missionary. That one is just okay. I like the rest of them a lot. My favorite is probably doggie.

XL Girls: What is the most unusual position you've ever tried?

Danica: Nothing out of the ordinary, but one thing we tried was where he was sitting on the couch and I had my feet up on the coffee table.

XL Girls: Were you sitting on him, with your back facing him?

Danica: Yeah. It was kind of awful though. It was uncomfortable.

XL Girls: Do you like to look in the mirror during sex?

Danica: Yes, I would say so. We don't have any mirrors in the house, but I've caught myself looking in the window at my reflection.

XL Girls: Do you hang out with other busty women?

Danica: Not really. My sisters are busty but that's it.

XL Girls: So it runs in the family?

Danica: Yes, it does.

XL Girls: Do you have the biggest boobs in your family?

Danica: Yes, so far. But my sister isn't far behind me though. She's barely 20 but she's still growing.

XL Girls: Do you ever get girls coming up to you and asking you if they can touch your boobs?

Danica: Yes. They ask me if they're real and I tell them yes. And then they ask me if they can touch them, so they feel me all on the top of my boobs and push down to see if I have implants.

XL Girls: Where does that happen?

Danica: A while back I worked at a strip club. And I got it a lot there.

XL Girls: Were you a dancer?

Danica: I started off as a waitress and then I tried dancing. But I can't dance for anything, so I went back to wait-

BAILEY SANTANNA

Bailey is super horny, and we have the proof of it!

Just watch her scene in the new DVD *Thick Chicks on Black Dicks* (available for order on page 9). She wrestles with a big, black cock and it's no match for her arsenal of sex weapons. First, she uses her vacuum of a mouth to get him nice and hard. Bailey gives one of the sloppiest BJs ever.

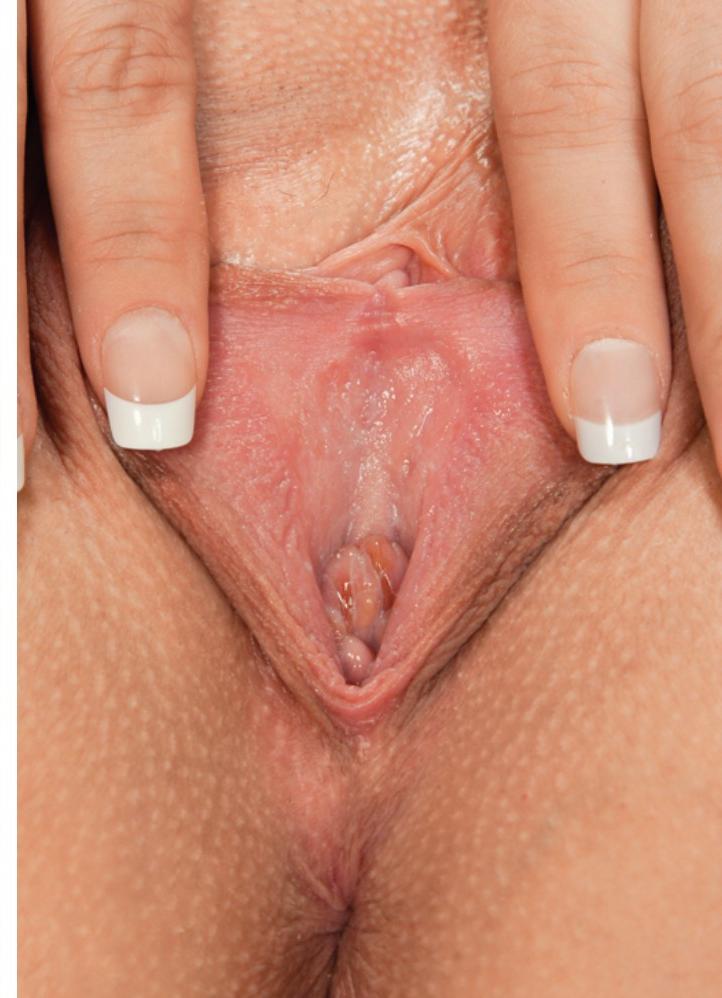

"I learned to suck cock by watching lots of porn movies."

Who knew that porn could be educational as well as arousing? Bailey certainly has learned a thing or two since her last appearance with us in *K-jugs*. Not that her fuck skills weren't stellar then, but she took it up a notch this time! "I was really proud of the blow job I gave in *Thick Chicks on Black Dicks*. That guy was so hung that I couldn't help but choke on his cock, but I liked it. I think he liked the way that I was slobbering all over it, too. Men like BJ's with lots of spit."

What other secret sex weapons is Bailey hiding? Her ass, for one!

And yet another reason to check Bailey's new scene out is because she does anal! Really hot anal, too! "I love getting fucked in the ass. I wouldn't do it if I didn't love it. This was my first time shooting anal for you guys and it was awesome. I've never had such a big cock in my ass. Getting my little starfish stretched out like that made me cum so fuckin' hard!"

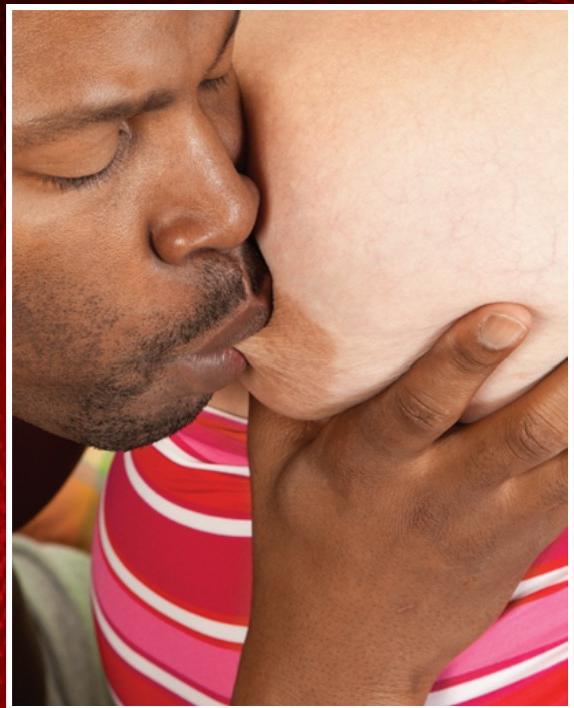

Lisa Canon & Lucas Stone

When Lisa first shot with us, she said she probably wasn't going to do hardcore. We're glad that not only did she change her mind, but she was thrilled to do an interracial scene, too. In this scene from *Thick Chicks on Black Dicks* (order it on page 9), Lisa shows us how much she likes dark meat. "I like all kinds of men," she said. "The main thing that matters is that they fuck me good."

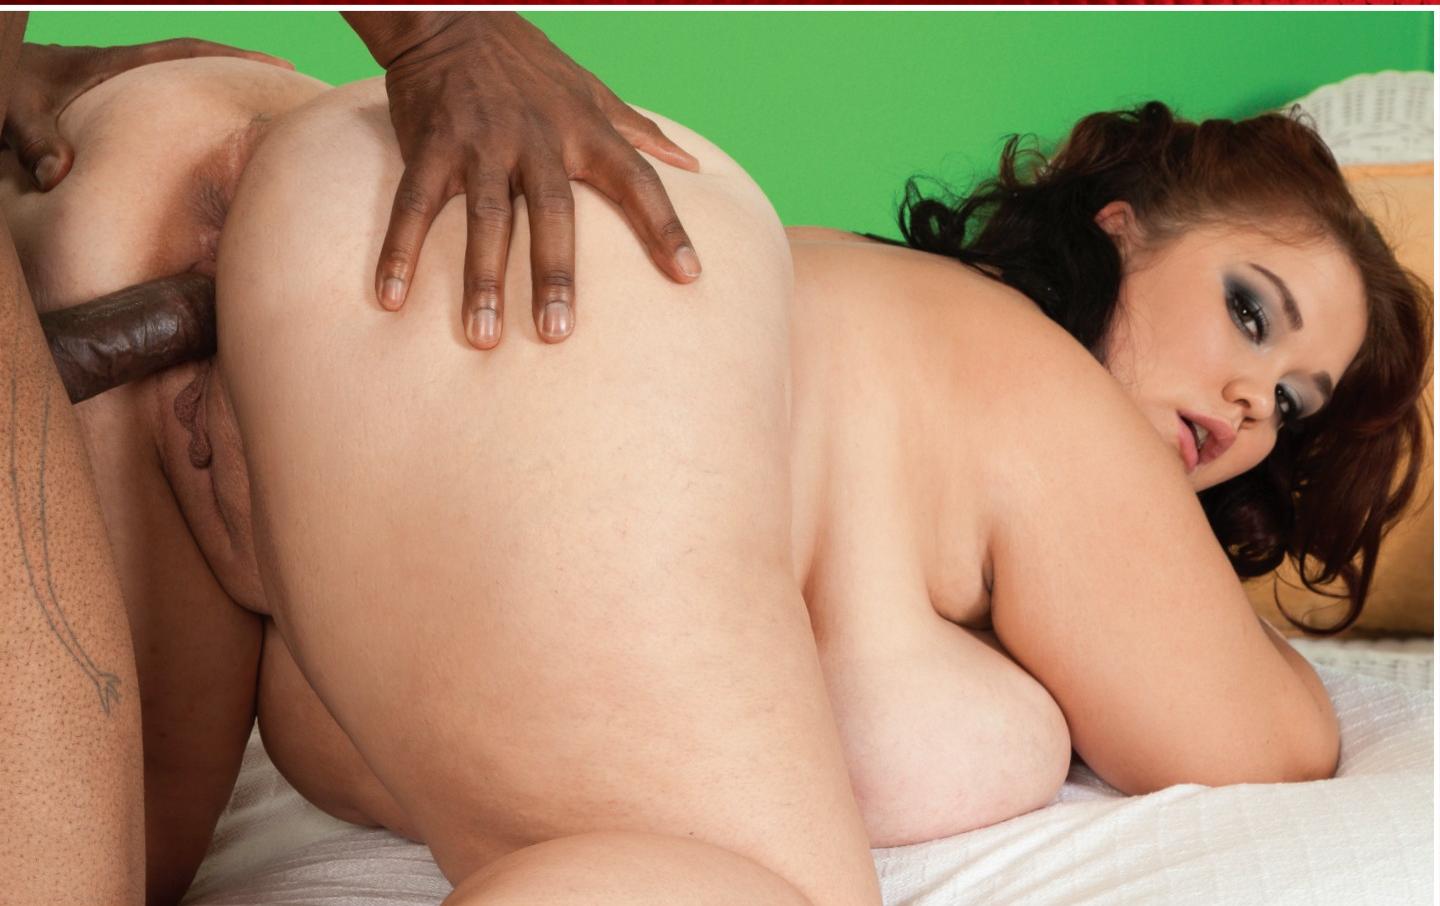

There's something very arousing about the contrast of a chocolate rod in Lisa's pretty, pale holes. Maybe it's because we can see the penetration even more clearly. But to be honest, we don't care so much about the color of the cock that Lisa has inside of her. The most important thing is that we get to see her fuck. She's sharing a side of her that not many people who know her in real life get to see. And we're very grateful for it, especially since there was a point where we thought we'd never get a chance to see her do this!

So what made Lisa change her mind about doing hardcore for us? "Well, the first time I shot for you guys was the first time I ever modeled," she said. "I was nervous, and I didn't know if I'd like it. So I didn't want to agree to do hardcore if I didn't even like solo first. I just had to test the waters out. Luckily, I had a really good experience with adult modeling. I liked it a lot, and I felt ready to do hardcore. I was like, 'Hey, this isn't so bad. In fact, it's a lot of fun!' Now I feel totally comfortable in front of the camera and fucking in front of it is a huge turn-on for me. I really like to watch myself fuck on video afterwards and masturbate to it."

ressing. But yeah, they would ask me a lot there. Oh, and at the lingerie store I shop at I get that a lot. The ladies who work there ask me all the time.

XL Girls: I'm curious to know about the strip club employment. Did anything interesting happen while you were there? Did you get the most tips?

Danica: Well, no. I don't know how much the other girls made. I only worked there for three weeks. But for the two nights I danced I think I brought home \$500 each night. This was 11 years ago so I have no idea if that was an average amount for that time. But there were so many crazy things going on. There was one guy who would come every Thursday and the girls would flock to his VIP table. I had no idea but they were all getting him off under the table. There was a guy who, even though I was only waitressing, he would always ask me for a lap dance, and he would come in two or three times a week. I was allowed to do that, so I would for him.

XL Girls: That's nice of you. So, do you ever sunbathe topless?

Danica: Yes, I do. In my backyard.

XL Girls: That'd be interesting if your neighbors saw you doing that.

Danica: Actually I have a story about that. Just this week I was laying out completely nude in the backyard because I had gotten sunburned through my shirt. So I was trying to even it out. And I don't know what was going on, but behind my house there's like a two-acre wooded area. And there was a helicopter just barely above the houses and they were flying really slow and they totally saw me.

XL Girls: They were close enough to see you?

Danica: I was close enough to see the pilot! They were looking for something, so I'm sure they saw me.

XL Girls: I think they found what they were looking for!

Danica: [Laughs] I guess so!

XL Girls: Okay, Danica. That's all we have for you today. That wasn't too painful, was it?

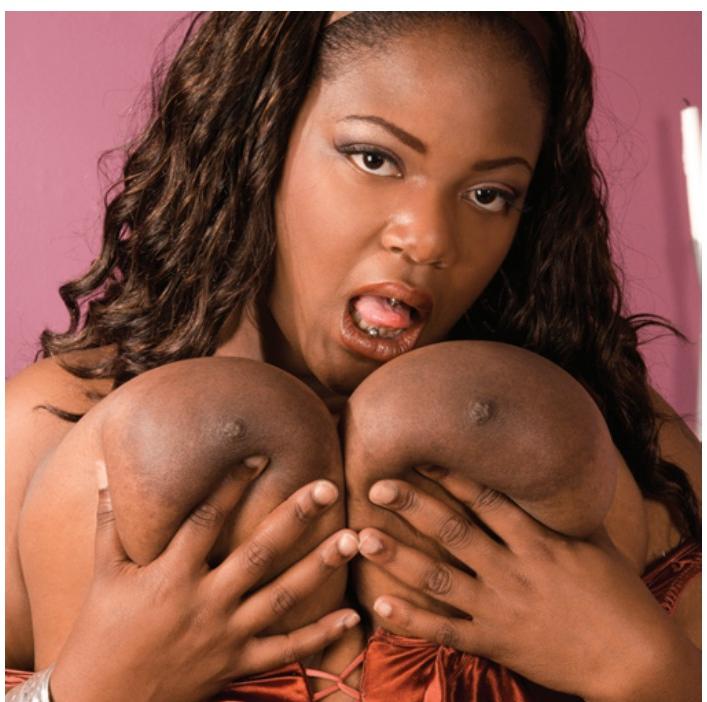

Danica: Not at all.

XL Girls: Is there anything you would like to say to your fans?

Danica: Hi! Thank you for all your support. You keep me going! ☺

KAYLA MAZE

Kayla has a hot sex story that she'd like to share with everyone.

The best thing about working at *XL Girls* is seeing curvy, hot women naked. But the next best thing about it is hearing all the horny things these women like to do. Kayla was happy to share one experience with us. "An old boyfriend of mine and I went out to a club one night. I was wearing a tiny skirt even though it was so cold out...."

Strange things happen late at night on the Brooklyn Bridge.

"So we were at the club dancing all night. We started talking to this one couple. I got the feeling like they wanted to have a four-some. I'd never done that before but I'd had a few drinks so I just went with it. So 5 a.m. rolls around and the club closes. We all leave together. At this time I was living in New York, so we took a walk on the Brooklyn Bridge. It was pretty much deserted."

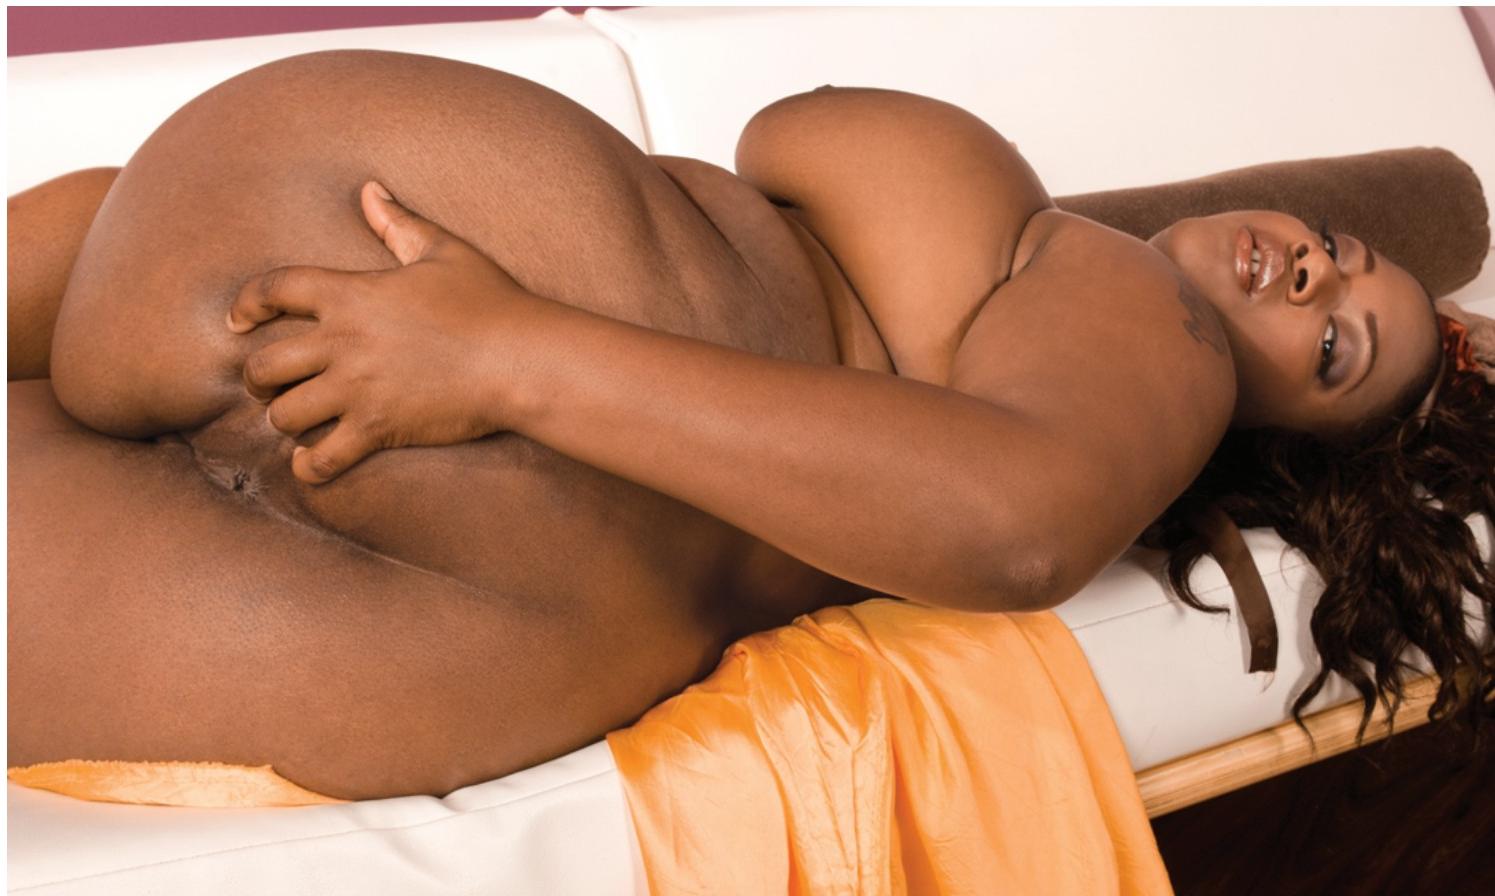

Kayla wasn't an exhibitionist, but this experience changed that!

"I stopped to sit down on a bench and I started kissing my boyfriend while the other couple watched. I asked them if they wanted to watch us fuck, and they said yes. I took off my panties and started riding him right there on the bench on top of the Brooklyn Bridge with these two strangers watching. I told him to let me know when he was gonna cum so that I could swallow it. He told me he was getting close so I got on my knees and sucked his dick till he came. That was probably one of the hottest things I've ever done."

Angellyne Satisfies One Reader's Sex Cravings

Dear XL Girls,

I was so happy to see Angellyne back so soon, and doing hardcore! I was worried that she might be a one-timer who we would never get the pleasure of seeing with a cock in her. I've never been so glad to be wrong. She is one seriously hot plumper, and she looked even hotter in her XXX pictorial in the Feb. '11 issue (SP222).

The photo of her sucking cock on the bottom of page 13 was so good it was like I could almost feel her lips wrapped around my pole. I loved seeing that dick jammed up her pussy and in her mouth. I just wish the pictorial was longer. Six pages is not enough! Also the cum shot was kind of weak. I would have liked it more on her face or tits, but for the most part I was very happy with this lay-

Porsche's Pooch

Dear XL Girls,

Porsche Dali has such a sexy belly. I don't like it when XL Girls try to hide their tummies. It's such a turn-on to see a larger woman like Porsche who enjoys showing off her body. She has nice tits, ass and pussy, but her smooth, round belly is what turns me on the most. Please run a XXX pictorial of her soon. I know she is in some of your hardcore movies and I just ordered one. I can't wait to see her sexy jiggles in action. Please don't cover the models' stomachs with shirts or corsets, as you sometimes do. I know conventional standards have tried to tell us that a woman with a belly is not sexy, but there are those of us who do like it!—P.R., via email

Classy Pussies

Dear XL Girls,

I'm in agreement with P.G.'s letter in the Nov. '11 (SP218) issue. I don't mind that Dors Feline doesn't spread her pussy. She's what you call a

"classy" pussy-shower. It's kind of old school compared to 98 percent of

all adult models.

You do kind of wonder if Dors is the answer to Ashley Sage Ellison. Look at the contrast between the two, besides both being from England. There's a difference in personalities; Ashley is more serious and restricted. Dors is more playful and whimsical. Ashley is blonde, and Dors is brunette. And of course, Dors shows pussy and Ashley doesn't.

It was also nice to see Taylor Steele and Renee Ross making a mess with herself with an ice cream Sundae with sprinkles. I can see somebody was in a tasty mood.

And then you had one of your more effervescent models in Taylor Steele, currently number one on my top 25 fantasy girl list. She has taken over Brianna Costello for me. In fact, that's exactly who she reminds me of—Brianna! Her overall body frame would be perfect for me, big-boned but medium build. She is very fuckable!—S.M., Baltimore, Maryland

issue. One unexpected turn-on is in Taylor Steele's layout on page 55, where you can clearly see her nipples inverted (slightly sunken) back into her huge tits. Nice view! I love that kind of nipple. Another favorite nipple of mine is on super-sized tits like Monique's. The nipples have rolled under her tits! Try to find more girls with XXXL super-long tits to the crotch or lower.

I also love XL tits that have interesting features like very unequal size or length. The more size difference, the better. I also like dark tan lines, nipple rings and lactating XL Girls (have helpers take turns wringing out the tits for milk).

Pregnant XL models would be a fantastic sight. More blue veins and stretch-marked tits. In every issue include a 60-plus biggest and oldest tit display, waist up or tits only with their age listed. Ask readers to send in photos of huge, old tits they may have available. Please include in every layout several no-hands tit-suck-hold shots. The sexiest pose for XL Girls is a huge hanger in a no-hands suck-hold. Ask for reader response and have a favorite pose contest.

Also, in the Weighing In section, I agree with the guy that likes short girls with huge tits. Front views of girls that are more than half tits are great.—B., Las Vegas, Nevada

Samantha, Renee & Joey

This big-tit showdown was the hottest scene in the DVD *K-jugs*. In it, Samantha and Renee have a fuck-off to decide who will be the queen of the airwaves at the busiest radio station in town. Whichever busty blonde fucks her boss the best gets to host the prime time show. The decision isn't an easy one, but this radio manager has a lot of fun weighing his options during this hot three-way.

Normally we love the camaraderie that two women share when they take on a cock at the same time. But to be honest, we're turned on by the competition in this three-way. Samantha and Renee Ross both trying to out-suck and out-fuck the other. One is a big-boob veteran, and the other is the new kid on the scene. At least the girls put their differences aside to enjoy a little pussy-licking action. But right after that it's back to the fuck competition! There's a prize at stake here! So, who would you want to win?

"I enjoy a little friendly competition," Renee said. "There were no real hard feelings between Sam and me...except for that guy's cock! This was my first three-way and honestly, I feel honored to have been able to do it with someone who's as experienced and well-known as Samantha." And what did Samantha think of Renee's fuck skills? "Well, her pussy does taste good. And I have to admit that the girl does know how to suck a cock. I think there are big things in store for her, and if she ever wants to share another load of cum she can call me any time."
